

# Pointe-à-Callière Target 2017

December 2016

Work at Pointe-à-Callière is continuing, as we get ready to mark Montréal's 375<sup>th</sup> anniversary by showcasing the site where Montréal was founded and restoring the remains of Fort Ville-Marie and the city's first collector sewer. Here is some useful information for the holiday season.

## Passes for neighbours

Pointe-à-Callière would like to offer its immediate neighbours free passes to the Museum. Just ask! If you would like some to offer as gifts, we will be pleased to oblige. One of our current temporary exhibitions, *From Asian Lands. The Sam and Myrna Myers Collection*, is open to the public until March 19, 2017; the other, *Fragments of Humanity*, continues until January 8, 2017. In December, our *Who Is the Real Santa Claus?* presentations are always fun for kids. You can request passes by contacting Marie-Hélène Bernard at [communications@pacmusee.qc.ca](mailto:communications@pacmusee.qc.ca).

## Museum Shop

The Museum is also offering its neighbours a 25% discount on purchases at the Museum Shop over the holidays, until Saturday, December 24 (not including items already on sale). You just need to show proof that you live on Place D'Youville or de la Commune, between Saint-Pierre and Place Royale.

## Holiday hours

The construction work will stop for the holidays, from Sunday, December 25 until Saturday, January 7, inclusive. A site supervisor will collect trash at the usual times from addresses on Place D'Youville nord, between de Callière and du Port.

## Happy holidays to all!

We are aware of the inconvenience this work may cause you, and we are doing our utmost to minimize its impact. Thank you for your valuable co-operation.
